to be taken during a Country Trust activity and to be used in the above (1-6) contexts.

Save as set out below, I confirm that I have received parental (including guardians) consent in respect of all children in respect of the same, including as may be required under GDPR.

I understand that the school/group will receive a specific request for filmed images of children to be broadcast on television, and that the school/group will be informed if interviews with children are to be broadcast on radio.

I confirm that I will identify any children for whom parental consent has not been obtained in respect of the matters outlined above.
